

Vlaamse
Suzuki Vereniging

Turnhout, post date

Dear Family,

In the early part of the school year 2016-2017 we will present you the membership of the Vlaamse Suzuki Vereniging vzw (VSV vzw).

The membership fee subscription is **40€** for the whole family and for one school year.

The VSV vzw has the aspiration to diffuse and to support the philosophy and musical perceptions of the Suzuki method. This purpose will be obtained by organising workshops and concerts for teachers and pupils and by publishing, through the way of our website, information about the activities of the association and other news items. Members will also have reductions as participating at activities, organized by VSV vzw (as 4 x Sunday mornings, national workshop etc..).

With this membership you also have the membership of the Talent Education Suzuki Institute Belgium (TESIB) and of the European Suzuki Institute (ESA) and you can participate in the activities of these associations.

We would enjoy your support and see it as a great stimulus if you become member of our association.

The membership for teachers is **70€**.

Can we ask you to pay the membership fee of 40€/70€ into account IBAN: BE62 0011 4814 6661, BIC: GEBA BE BB of VSV vzw, Gemeentestraat 16/1, 2300 Turnhout, at last on October 15, 2016 (definitive closing date!).

We wish you an agreeably year full of music.

J. Janssens
President VSV vzw

Group photos of the activities of VSV will be published on our website. In case you prefer that your child is not visible on a photo, let us know with your subscription, please.
